

5/20/2011

To All Realtor's and Real Estate Office's

We would like to announce that effective 5/25/2011, the following Rate changes will occur to our services. We have avoided a Rate change to you as long as possible, but due to the increase in gas, materials, labor, updates, we can no longer absorb the additional costs. It will be our first major change to Rates since starting in 1997 and the last Base Rate change/increase was way back in 2006. Lower Valley and the outer areas will see the most changes, due to the size of Territory we cover and the lower demand for service in those areas. As a result, our Rate had to change to cover the costs. Hopefully with the upcoming implementation of the new Online ordering and inventory control system, the value of the new system will out weigh the additional cost you may incur.

We would like to take this opportunity to thank all of our Customers for being with us and using our service. I hope that we will be able to continue to serve you for all your signage needs.

- Base Rate will be \$33.50/per post.
- Lower Valley Service will be only on Thursday's and is Base Rate plus \$1/ mile (Starting from Parker). Example: Downtown Wapato is 4.8 miles from Parker, \$4.80 mileage fee + \$33.50 base rate = \$38.30. (Current rate is \$37.00)
- Due to travel time & distance to Mabton, Harrah & White Swan, an additional \$10/per order will apply.
- Ellensburg & surrounding area sign service, please call for rate.
- Service past the "Y" for White & Chinook Pass is \$2/ mile from the "Y" (within 5 business days).
- Special requests for "Same Day" & Saturday installs are an extra \$60/ per order.

If you have any questions regarding the Rate changes, please give us a call @ 576-0255.

Thank You.
